5. Talked with Mr. Lee, administrative assistant to Congressman John J. Rhodes (R., Ariz.), concerning the invitation to the Director to speak at the SOS Club breakfast on 13 May. Mr. Lee said that the breakfast would be held at the Capitol Hill Club at 1st and Independence Avenues (between Independence and Carroll Place) at 8 A.M. This information was passed on to [redacted] in the Director's office. We are to provide a list of the SOS Club members.

6. Chatted with Roland Severy in the Bureau of the Budget on H. R. 5007. He said that they had cleared a State Department report on this bill, but as far as the Bureau was concerned this bill was "in the deep freeze." Severy apparently does not expect action on it for sometime. He added, however, that he would be interested in talking with us to obtain any thoughts which we might have on the bill. We are to contact him later this week.
